HOW TO READ THIS BOOK

Read this book as a shaped narrative. Follow plot, repeated scenes, turning points, and the narrator's choices before turning events into personal lessons.

MAJOR THEMES

- To give readers hope for a restored kingdom of Israel characterized by proper worship
- The book's literary movement and central claims
- Faithful response within the people of God
- Hope, judgment, grace, and obedience in their proper context

INTERPRETIVE CARE

- Let the narrator establish the point before treating an event as a general rule.
- Do not assume every action recorded in the story is commended.

Questions

- Before anyone explains it, walk through what actually happens here. Who does what, in what order?
- What does the writer repeat? Repetition is usually the point, not a habit.
- What surprised you, or what did you have to read twice?
- Bezalel turns up in this section. What does the passage actually show, as opposed to what you already assumed?
- The word temple is doing real work here. What did you assume it meant, and does the passage agree?
- What did the writer choose to include here, and why that detail?
- Where does this cut against something you already believe or already do?

- Define cities from this passage alone, without reaching for what you already know.
- This is a story, not a lesson with a moral attached. What is it showing rather than telling?
